Dear Rural Advocate,

Each student in Arizona, regardless of their location, deserves a robust, quality education that equips them for a successful future. The mission of the Arizona Rural Schools Association (ARSA) is to champion the interests of rural schools in Arizona, empowering rural education through policy. By becoming an ARSA Partner, you advocate for equitable resources and reinforcement of local governance, which lie at the heart of our rural communities' future.

ARSA Partners not only have several benefits at our annual conference; a Partnership grants you direct access to our extensive network of over 150 rural schools across the state of Arizona. This visibility creates an unparalleled opportunity to showcase your commitment to advancing rural education. As an ARSA Partner, your name is associated with the vital work we are doing and shared with a broad audience that deeply cares about and engages with the well-being of rural schools.

In this document, you will find the different opportunities you have to become an ARSA Partner. Join us, and make an impact on rural education today!
